SKILLS

- HTML
- CSS
- JavaScript
- Python
- Web Design

PROFILE

Currently, a freshman at Washington High School. I am skilled in certain website development programming languages such as HTML, CSS, JavaScript, and Python.

EXPERIENCE

HTML, CSS, & JAVASCRIPT FOR WEB DEVELOPERS (100%)

Website: coursera.org

- Learned fundamental concepts in HTML, CSS, and JavaScript
- Learned how website development skills are relevant through certain lectures.

INSTRUCTED A PROGRAMMING CLASS

January 2023 - April 2023

- 10 week class, where I taught students from ages 8 - 12 fundamental Python concepts.
- Designed slideshows and activities implementing my knowledge of Python.

EDUCATION

CENTERVILLE JR. HIGH

August 2020 - June 2022

- 4.0 GPA (All 4 Semesters)

WASHINGTON HIGH SCHOOL

August 2022 - June 2026

- 3.8 GPA (Semester 1)
- 4.0 GPA (Quarter 3)

EXTRACURRICULARS

WHS Comp Sci Club

- Joined WHS Comp Sci Club at start of freshman year. Improved my knowledge of programming and improved problem solving skills.

Cello

- Played cello for 6 years, and performed in several concerts.
- Won silver medal and certificate in Grand Metropolitan Music Competition.

Orchestra

- A member of BYPO (Bay Philharmonic Youth Orchestra) for 3 years. I have achieved a 2nd chair position currently, and participated in 5 concerts.
- A member of WHS Orchestra Club, which performed in a concert (Benefits Concert).

Badminton

- A member of the JV badminton team in Spring 2023. Participated in multiple games.
